## DEAR CUSTOMERS AND FRIENDS

As the situation continues to evolve in Hong Kong and with health officials now urging everyone to stay home and avoid gatherings, your team at Staunton's have decided to close for the next two weeks in order to assist in this critical effort.

Our mission is to ensure the safety of our large community of customers, staff, suppliers, friends and families.

We will stay in touch through our social media platforms and plan to keep you updated as things unfold. We will be closed starting from APRIL 1st.

We wish you and your families good health during this very difficult time and we look forward to seeing you all again very soon.
